COURSE CLOSURE

With changing era, Emergency Medicine has become the need of the hour. With current global pandemic of Covid-19, learning has taken a different route. In process to continue learning, INDO US Emergency and Trauma Collaborative is organising its 7th e-EMPART (e-board review covering plethora of Pediatric and Neonatal Emergencies, Trauma and Surgical Emergencies) and 3rd e-EPICON (e-point of care Capsule of Pediatric Emergency Sonography) by eminent international and national faculty, who are pioneers in their field. This on-line platform is the right approach today to brush up the knowledge and ultrasound skills.
